Morton Grove Public Library

BOOKS & BEYOND

July - August 2014

WHAT'S NEW @ MGPL!

MAKE SURE TO TAKE A LOOK AT SOME OF THE IMPROVEMENTS WE'VE MADE IN THE LIBRARY!

Enter and leave the library through the newly-opened Lincoln Avenue entrance!

Check out the new colors in the computer area and the Reading Room, and test out one of the new comfortable armchairs there!

Use one of the three Self-Check Out machines to check out or renew your items, and see what's on your account. Fast and extremely easy to use, the touch-screen self-checks will check out your materials and provide you with a receipt in the blink of an eye.

Scan a document or a page from a book, then email, fax, print, or save it to your Google docs or flash drive! The new Bookscan station uses a touch screen and is super-easy to use – try it to see for yourself!

FROM THE DIRECTOR'S DESK

It's the middle of summer and our Summer Reading Program is in full swing, the winter pot holes are almost all repaired and one of the snowiest winters on record is now a distant memory.

We have a lot of exciting news regarding your library. By now, perhaps you have found a quiet spot to read on one of our park benches or enjoyed our new picnic table. Or maybe you've come inside and enjoyed a comfy chair with a laptop arm and used our wireless internet.

Coming soon we will have a full RFID conversion underway allowing us to offer you better service as we have more control over the sharing of library materials.

Look for self-check-out stations and new security gates as part of this new system.

Business owners will find our fax/scan/printer machine and our smart board in the Cooperman room wonderful assets for their productivity and planning.

We are currently undergoing a facility needs assessment that will be followed by some more remodeling of the library in order to provide you with more study spaces, creative spaces and comfortable seating. At the same time we are working on our strategic plan so we can plan spaces, services, programs, and materials that will meet your library needs for years to come.

Check out our website for downloadables and streaming media. And as always, please come on in and see what your library has for you today!
